

Situations vacant

Full Time - Qualified Dispensing Optician - Anstey, Leicester

Job Share Considered

We are an Independent practice specialising in binocular vision, sport and school vision, looking for a Dispensing Optician with excellent communication skills - someone who is a good team player.

We believe the D.O. is a highly valued member of the practice team, critical to the success of the business.

You will not be constrained by a "one size fits all" approach - You will have the freedom to exercise your expertise in product knowledge and frame selection and fitting.

The successful candidate would have the opportunity to progress into management, and to be involved with our sister Company (SVUK Ltd), in research, the delivery of National Conferences and Diploma Courses. This will give a new found sense of professional freedom and a chance to grow with this exciting project.

We have a friendly and comfortable working environment - fully air conditioned and recently refurbished. We offer a salary that is not target driven, but based on previous experience (£24-28k). Professional fees paid, pension scheme and hours of work 9 till 5.30 (Tuesday to Friday) and 9 till 2 on Saturdays.

To be a part of this unique opportunity, please send your CV and covering letter to:
